Get the skills necessary to become a caregiver with Caregiver Services. You can make a difference in someone's life while earning money at the same time. Caregivers who have completed this training said:

"This is a great program. It is very informative and educating. Great teachers!"

"I found doing the nutrition assignment eye-opening."

Caregivers who list with our registry enjoy setting their own schedules. They have the flexibility to work around school, family time or other part-time jobs. It is easy to use the registry and we offer many support services to make the job easier.

Classes are coordinated by the Area 1 Agency on Aging in partnership with the Humboldt County In-Home Supportive Services Public Authority and Fortuna Adult School.
